

You Have HR and Compliance Questions.

Mineral has answers.

We get it—HR is complex.

Compliance regulations are constantly changing, employee needs are constantly shifting, and trying to stay on top of everything takes valuable time away from running your business.

Mineral takes the guesswork out of HR and compliance so you can manage your workforce with confidence. We provide expert guidance resources, proactive alerts, and more to give you a one-stop shop to building a healthier organization.

Put our solutions to work for your business.

Mineral Intelligence™

As your company grows, Mineral Intelligence™ will send proactive alerts with clear compliance action items that apply to your new operating locations.

HR Assessment

Gauge your organizational health through a short HR Assessment that will evaluate your HR and compliance practices, identify any gaps, and help you eliminate risks.

Mineral Experts™

Get personalized, jargon-free advice in terms you can understand from a certified Mineral Expert™ who understands your business as well as the federal and state legislation that affect you.

HR Compliance Library

Stay up to date on the latest regulations and best practices with our comprehensive HR Compliance Library. It features thousands of regulatory updates, insightful guides, checklists and templates created by our team of certified HR Experts.

Everything you need, all in one place.

"Each time I call a Mineral Expert, I've gotten a detailed answer to my question along with a follow up email that clearly reiterates the solution. Every person I've talked to has provided expert advice and is clearly focused on getting me the answers I need. As a result, I have the confidence to make policies and decisions with the information I receive from Mineral."
